

PLANNING FOR THE BAR EXAM

How do you Envision it?

How might you want your morning routine to go?

How might you cultivate your energy/mindset?

What calming or rejuvenating tools might you want?

What might you want to wear during the exam?

What **required** items will you bring into the exam?

What **permitted** items might you bring into the exam?

What might you want to do or eat during the lunch break?

What might you want to do after day 1's exam?

What are some study materials you might want accessible before the bar and on the evening of day 1?

(and day 2, if you have a 3-day bar exam)

How might you want to celebrate after the exam?

What might be some things that could go wrong, and what might be some contingency plans?

For example, many people bring 2 alarm clocks.
